THRU: PAG-TA

SUBJ: ACTIVITY REPORT FOR NOVEMBER 1993

DATE: 2 DECEMBER 1993

1. (U) The following activities were accomplished by myself during the month of November 1993.

2. (U) Move to Building 2845:

- Conducted office space survey within Building 2845; final office and administrative space selection and assignments completed with PAG-TA personnel.
- Cost Estimate for the Gomstruction upgrading of Room
 111 received from Ft. Meade Engineers. Cost Estimate packet
 hand carried to Mr. DAL-2A, for processing.
- Face-to-face meeting with Security), to discuss requirements necessary to upgrade Room 111 to a SCIF-level facility. Provided with a courtesy copy of cost estimate packet. In turn, provided me with copies of the new DCID 1/21 regulation as well as the updated supplement to DCID 1/21 covering the physical security standards for SCIFs and the latest version of the Fixed Facility Check List.
- 3. (S/NF) <u>Projects:</u> Conducted 5 operational projects involving ten sessions.
 - Included a face-to-face meeting with costumer which involved
 4 of the aforementioned projects.

4. (U) Foreign Assessments:

- Attended a two conference on Non-Lethal Warfare at the Johns Hopkins Applied Physics Lab 16-17 November 1993.
- Ongoing evaluation of material collected by former branch chief.
- 5. (U) <u>Training:</u> Participated and completed a "Q-Sort" personality examination as part of the SAIC R&D portion of our mission.
- 6. (U) Other: On Annual Leave from 22 to 26 November 1993.
